Special SYRtex blended yarn, looped end with band. Built in scourer scrub pad removes stubborn dirt and grime. These mops can last up to 3 months and are machine washable up to 90° up to 300

- ① Three cleaning surfaces on the Changer mop. First it is a stayflat mophead, clean with one side of the mop, second, clean with the other side of the mop.
- ② Then with a sharp twist of the handle it becomes a round mop head with a third mopping surface.
- ③ On the underside of the mop there is a scourer pad to remove stubborn dirt and grime.
