

Non- Abrasive Scourer

AN EVERYDAY
ESSENTIAL

Features

Used to scour, usually used to clean cookware. For general cleaning of floors, walls and most surfaces.
14cm x 7cm

970460 | Non-abrasive

> Non-abrasive

Manufactured with a softer scourer than usual to help prevent scratches on cookware and other surfaces.

> Excellent absorbency

The porous fibres of the sponge make them excellent at absorbing water or other liquid solutions.
