Safeguard-R Caution A-Sign

REDUCING
EVERYDAY RISKS

Features

Durable polypropylene safety warning sign, made from 100% recycled materials.

Printed using injection moulding, to ensure high resolution and prevent fading.

Complete with an innovative top clip design to prevent the sign from tipping when in use.

> Widely Recyclable

Made from a recyclable polypropylene plastic, helping to reduce landfill at the end of the products life.

> Great Stability

Locking system helps keep sign sturdy and upright, plastic cutouts minimise sign falling over from wind or ventilation.

S0340000 Safeguard-R Caution Sign
